Average Prices (EC\$) of the 20-pound Cylinder of LPG in the ECCU in 2023 and 2024

IN MARCH 2024, THE PRICE OF THE 100-POUND CYLINDER OF LPG IN THE ECCU WAS 1.0% HIGHER THAN IN FEBRUARY 2024

Average Prices (EC\$) of the 100-pound Cylinder of LPG in the ECCU in 2024 and 2023

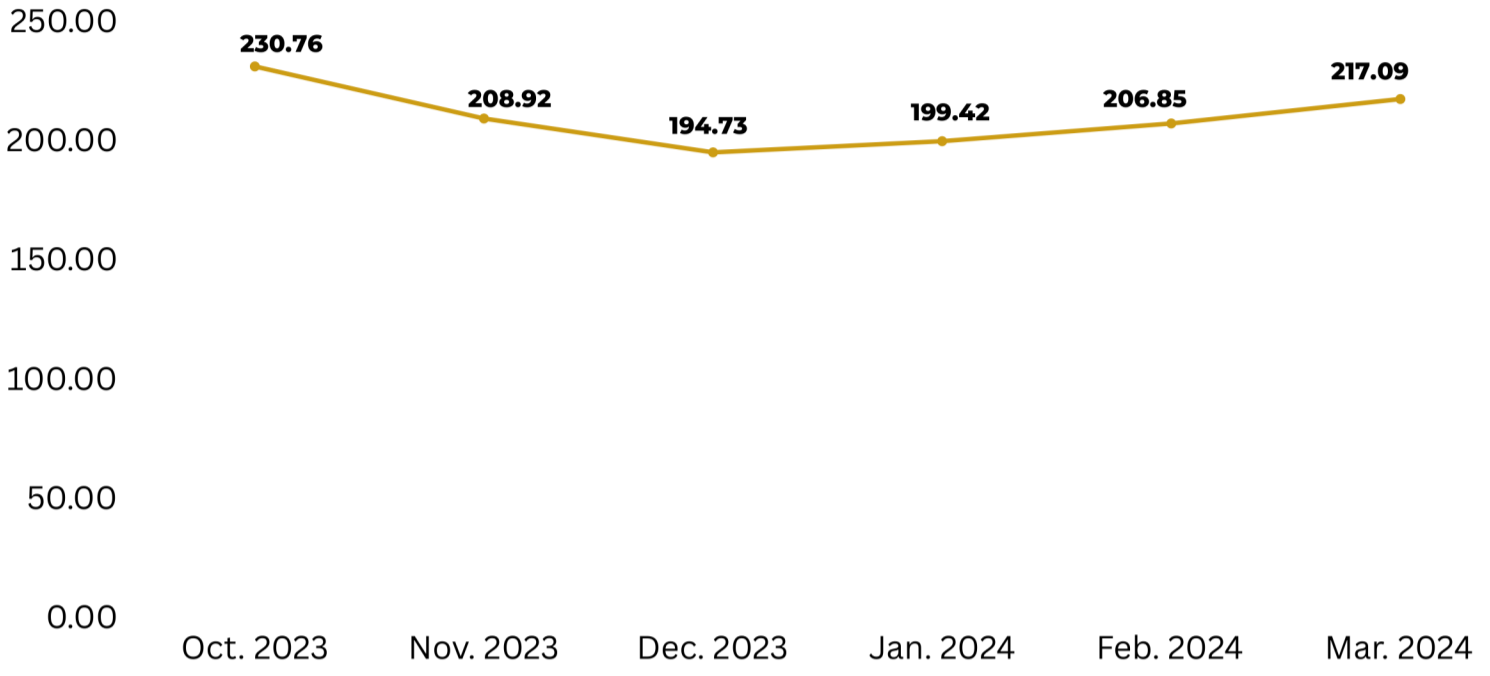

INTERNATIONAL CRUDE OIL PRICES

CRUDE OIL IS USED TO PRODUCE SEVERAL PRODUCTS INCLUDING GASOLINE, DIESEL AND LIQUEFIED PETROLEUM GAS (LPG).

A BARREL OF CRUDE OIL HOLDS APPROXIMATELY 35 IMPERIAL GALLONS.

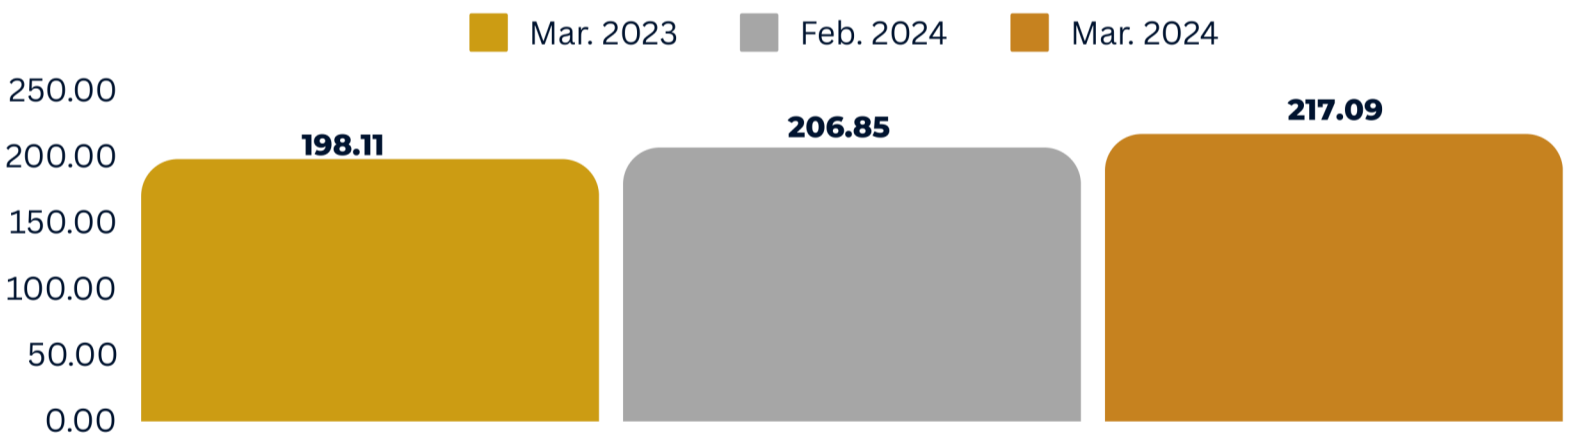

OVER THE SIX-MONTH PERIOD FROM OCTOBER 2023 TO MARCH 2024, THE LOWEST PRICE OF CRUDE OIL WAS RECORDED IN DECEMBER 2023

Average Prices (in EC\$) of Crude Oil Per Barrel on the International Market

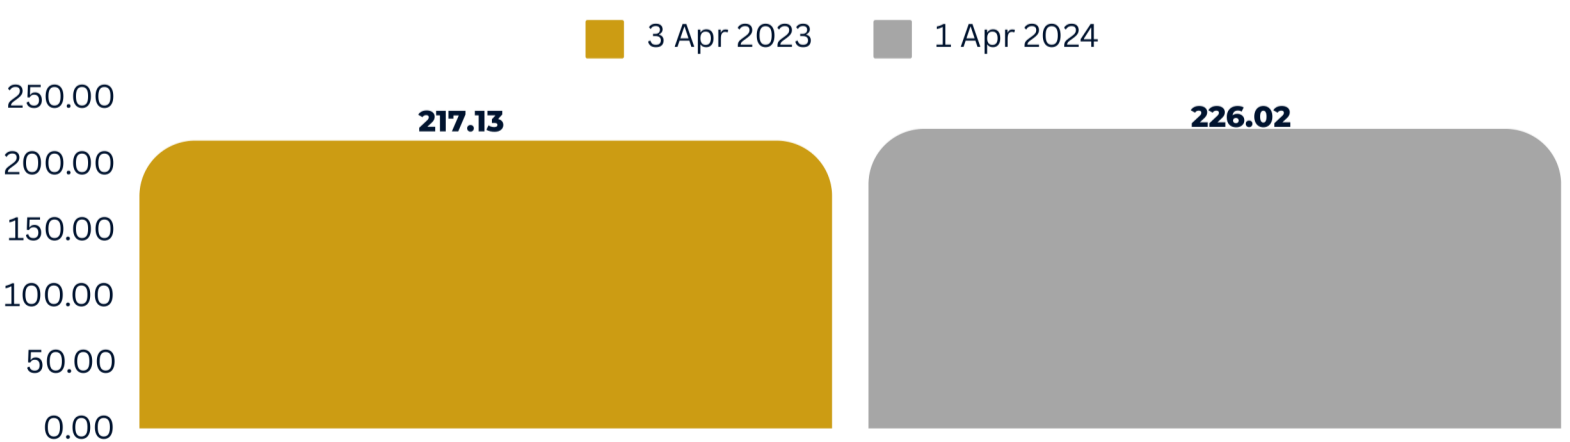

IN MARCH 2024, A BARREL OF CRUDE OIL WAS 5.0% HIGHER THAN IN FEBRUARY 2024

Average Prices (in EC\$) of Crude Oil Per Barrel on the International Market

ON 1 APRIL 2024, A BARREL OF CRUDE OIL WAS 4.0% HIGHER THAN ON 3 APRIL 2023.

Price (in EC\$) of Crude Oil Per Barrel on the International Market

NOTES TO CHARTS

Please note the following caveats to the fuel data:

 **Anguilla** - The average retail price for regular 87 octane gasoline and the average retail price for ultra-low sulphur diesel are utilised.

 **Antigua and Barbuda** - The retail price for US Waterborne unleaded 87 gasoline and the retail price for ultra-low sulphur diesel are utilised.

 **Commonwealth of Dominica** - The retail price for unleaded gasoline and the retail price for high-sulphur diesel are utilised.

 **Grenada** - The retail price for regular gasoline is utilised; the retail price for ultra low sulphur diesel is utilised.

 **Montserrat** - The retail price for regular gasoline and the retail price for regular diesel, premium diesel and ultra-low sulphur diesel are utilised.

 **Saint Christopher (St Kitts) and Nevis** - The retail price for unleaded gasoline and the retail price for diesel are utilised. There are two (2) data sources for diesel – Delta Petroleum St Kitts Ltd and Sol St Kitts & Nevis Ltd. Delta Petroleum St Kitts Ltd provides prices on ultra-low sulphur diesel from which an average is calculated. Sol St Kitts & Nevis Ltd. provides the price of ultra-low sulphur diesel as at the end of the month.

 **Saint Lucia** - The retail price for regular unleaded gasoline and the retail price for low-sulphur diesel are utilised.

 **Saint Vincent and the Grenadines** - The retail price for gasoline and the average retail price for high- and low-sulphur diesel are utilised.

General: When there is more than one price change provided for a specific month, the average of the said prices is utilised.

International Crude Oil Prices: Crude oil prices are recorded in United States dollars per barrel, however, the prices stated herein were converted to Eastern Caribbean dollars at the rate of 2.70.
