Prime Minister and Minister of Finance Welcomes the Repayment of Docked Salaries to Teachers and Other Public Officers.

St. George's, Grenada. July 29, 2022 - The Ministry of Finance wishes to confirm that \$1.2 million in docked salaries to teachers and other public officers have been repaid consistent with Cabinet Conclusion # 574 dated 11 July 2022. These salaries were docked in 2018 and affected 1,721 public servants. The Ministry advises that all statutory deductions (NIS, Personal Income Tax) have been deducted from the docked amounts, where applicable.

In addition, the payment of some 185 teachers and other public officers who would have left the system, and are no longer on payroll, will be processed via payment vouchers by the respective Ministries/Departments.

All such persons are kindly asked to visit the Ministry of Finance website at www.finance.gd to submit their banking and other relevant information to allow for the payment of any outstanding amounts.

The Hon. Dickon Mitchell, Prime Minister and Minister of Finance expressed his appreciation to the staff of the Ministry of Finance for the huge effort in processing these payments and believes that the return of the unjustly docked salaries will contribute significantly to industrial peace in the country.
